Eligibility:
Faculty members of Engineering Colleges and Polytechnic Institutions

Registration Details:
Participants need not pay any registration fee.
Free lunch, tea and bus facilities will be provided to the participants. Participants are requested to fill in the registration form enclosed and post it to the Convenor on or before 12th December 2014.

Registration restricted on the basis of first come first served to 20 members only.

Address for Communication:
Convenor
Department of Mechanical Engineering,
PRATHYUSHA INSTITUTE OF TECHNOLOGY AND MANAGEMENT,
Aranvoyalkuppam, Poonamallee-Tiruvallur Road,
Tiruvallur, Tamilnadu – 602 025
Mob# 9840397361, 9443277305

Resource Persons:
Mr. P. Jayaraman
Prof. Dr. S Mahadevan
Dr. V. Jayaseelan
Mr. G. Venkat Kumar

Additional Information:
No TA/DA will be provided to the participants.
About Prathyusha Institute of Technology and Management

- Prathyusha Institute of Technology and Management, popularly known as PITAM, is situated on Chennai-Thiruvallur High Road, 30 km. away from Chennai Central Railway Station.
- This Elysium of education is the vision of the Founder Chairman Shri P. Raja Rao, the Edupreneur Awardee, to bring world-class education into this sylvan campus. The majestic portal with its colossal buildings with spacious class-rooms and smart rooms, the laboratories fulfilling Anna University Requirement, Incubation Centers for Research, well furnished separate hostels for boys and girls with its hygienic food and hi-fi gym and parlor facilities, is a landmark in the panorama of Engineering Colleges. 40 and more buses fetch students from the whole length and breadth of the city to the college with comfort and safety.
- The qualified, dedicated and sincere teaching faculty members assisted by skilled technicians inculcate both theoretical and practical knowledge in the students. The engineering education is enhanced and honed by the regular training and internship programmes. The research skills are tapped and pruned by motivating and encouraging the students to participate in National and International seminars, symposia and conferences.
- Global education is imparted through MoUs with Universities abroad.

Committee

Chief Patrons:
Mr. P. Raja Rao, Chairman, PITAM
Mrs. P. Prathyusha, CEO, PITAM

Patrons:
Prof. Dr. P.M. Beulah Devamalar, Principal
Prof. Dr. V. Thulasi Bai, Vice Principal

Convenors:
Prof. P. Jayaraman, HOD (Mech)
Mr. G. Venkat Kumar

Objective of the Programme

Engineering Mechanics is the fundamental course for Mechanical, Civil, Production and Automobile branches. GE6253 Engineering Mechanics is included in the Second Semester B.E. Civil, Mechanical, Production etc., in the curriculum of Anna University Regulations 2013. The teaching-learning process on this subject will be discussed by eminent Professors.

Course Content

Basics and Statics of Particles
Equilibrium of Rigid Bodies
Properties of Surfaces and Solids
Dynamics of Particles
Friction and Elements of Rigid Body Dynamics

FDP on ‘Engineering Mechanics’
(15-21 December 2014)
